**CO-OPERATION BETWEEN FINNISH ROAD ENTERPRISE AND TETRA
CHEMICALS EUROPE LTD**

Finnish Road Enterprise has been in continuous business relationship with Kokkola calcium chloride plant since 1962. The owner of these production plants is nowadays Tetra Chemicals Europe Ltd.

Finnish Road Enterprise has bought almost entirely all of the calcium chloride needed in summer and winter maintenance during these years from Kokkola plant.

Tetra Chemicals Europe Ltd has also been in close connection with Finnish Road Enterprise in developing the logistics of calcium chloride deliveries.
